Friday 19th April 2024

Dear Families,

Welcome back to the summer term. It was lovely to see you at Good News Gathering this morning and it clear there is already much to celebrate. We are delighted to have welcomed two new children into our new nursery class, so a big Tintwistle welcome to Violet and Amelia, it is lovely when new members join our family!

I would also like to welcome Miss Pickering who has joined as class teacher in nursery, also to Miss Mellor who joins us as a teaching assistant in the main school, and a warm welcome back to Mrs Brooks who is working with Cherry class for the remainder of the academic year.

On Monday, we say a fond farewell to Mrs Brewer. Children and staff will miss your enthusiasm and love that you have brought to school each day. I would also like to take this opportunity to let you know that Miss Crookes is currently on secondment at a local nursery but will be back with us for the next academic year. Although we are missing her smiley face and presence in cookery club, we are delighted that she has been seconded to a higher role to put into place her HLTA qualification which she secured last term, well done Miss Crookes!

Looking ahead, I am really pleased to let you know that our reception class is full for the next academic year as we received a significant number of applications which is testament to the popularity of our lovely school and the hard work which goes on here.

Inside this week's newsletter you can meet our newly appointed librarians, playground buddies and healthy champions. There is also an update about changes to clubs this term as there is an exciting new STEM club which is starting on Mondays. In Collective Worship this week, we have looked at the disciples on the Road to Emmaus,

"Were not our hearts burning within us while he talked with us on the road and opened the Scriptures to us?" Luke 24:32

and we have thought about the important job the they had to do to keep spreading the word of God, even though they were sad that Jesus could not be found in the tomb. We have thought about what it means to follow in Jesus's footsteps and to be at peace with one another, in school and in the wider community. In KS2, we were delighted to hear from Yousuf and Khadija about their exciting celebrations during Ramadan and Eid. It was lovely to talk about other world faiths as part of our assembly, giving us chance to think about similarities and differences between our faiths.

As we approach the weekend, I would just like to say thank you again for all of your support , particularly whilst there have been some structural changes to classes this half term. Inside is a short update for you about these changes as well as a timetable which provides some more clarification. Please do fill in the google form if you are in reception and Y1 which was sent out via text (a further one will be sent next week).

God's Big Story

Before Mrs Francis and Mrs Richardson left, they were able to work with teaching staff and classes to create our amazing panels for God's Big Story! We are delighted with their hard work and the children are very proud of their collaborative efforts. These will help us to refer to the key parts of the Bible during Collective Worship and during our RE Lessons! Thank you so much—what a lovely leaving gift!

Pray this month

Lord God,
 We see signs of new life all around us
 as the days continue to grow longer.
 Thank you for the buds and the blossom;
 the grass and the warmth of the sunshine.
 May we remember that you have created us and love us,
 and even if it doesn't feel like spring sometimes – outside
 or in our hearts –
 we can find newness of life through your presence.
 Please help us to notice the beauty around us:
 a child's smile, a work of art, an insect, a friend's embrace.
 May we also share beauty and life with those whom we meet.
 Help us to glorify you as we promote peace, love and grace.
 May we speak truth in love
 and forgive those who wrong us, by your strength.
 We love you, Father, Son and Holy Spirit!
